

TRADELINE

INTERNATIONAL (PTY) LTD

Beyond Borders — Beyond Expectations

COMPANY PROFILE

**GLOBAL PROCUREMENT &
SUPPLY CHAIN SOLUTIONS
THAT DELIVER RESULTS**

WHY CLIENTS CHOOSE US

- Reliable and responsive procurement support
- Access to trusted global suppliers and manufacturers
- Competitive pricing without compromising quality
- End-to-end logistics, import, and export coordination
- Fast turnaround on urgent and difficult sourcing requests
- Personalised service and hands-on client support
- Solutions tailored to each client's operational requirement

Tradeline International delivers strategic procurement and supply chain solutions that help businesses source smarter, reduce risk, and keep operations moving. We provide end-to-end sourcing, procurement, expediting, and logistics solutions across South Africa and international markets, helping businesses secure reliable supply, reduce operational downtime, and improve profitability.

Built on responsiveness, trust, and results, Tradeline International has become a preferred procurement partner to companies operating in industrial, mining, engineering, manufacturing, energy, and infrastructure sectors. Our clients rely on us to source difficult-to-find items, manage urgent procurement requirements, and deliver cost-effective solutions without compromising on quality or timelines. With an established global supplier network and strong relationships across multiple industries, we are able to provide competitive pricing, dependable delivery, and access to both standard and specialised products. Whether it is a once-off emergency requirement or long-term procurement support, we work as an extension of our clients' operations — focused on reliability, communication, and getting the job done right.

From sourcing and supplier negotiations to freight coordination and final delivery, Tradeline International offers a seamless procurement experience designed to save our clients time, reduce risk, and keep operations moving.

Tradeline International (Pty) Ltd is a South African-based procurement, sourcing, and supply chain solutions provider focused on delivering reliable, cost-effective, and efficient supply solutions to businesses across Africa and international markets.

We partner with companies in the mining, industrial, engineering, manufacturing, energy, agricultural, and infrastructure sectors — helping them source everything from everyday operational requirements to specialised and hard-to-find equipment, components, and materials.

At Tradeline International, we believe procurement should create value — not complications. Our commitment is to build long-term business relationships through professionalism, transparency, and consistent delivery.

OUR MISSION

To simplify procurement and supply chain management by delivering efficient, transparent, and reliable sourcing solutions that create long-term value for our clients.

OUR VISION

To be the preferred procurement and global sourcing partner across Africa, recognised for reliability, innovation, and operational excellence.

OUR VALUES

- Integrity and transparency
- Reliability and accountability
- Efficiency and performance
- Client-focused solutions
- Building lasting relationships

STRATEGIC PROCUREMENT SERVICES

Our procurement solutions streamline purchasing, reduce costs, and improve supply chain efficiency. From supplier sourcing and negotiation to quality assurance, logistics, and delivery, we provide end-to-end procurement support that helps businesses secure quality products at competitive prices while ensuring reliable, on-time supply.

WHAT WE OFFER

- Supplier sourcing and vetting
- Bulk purchasing solutions
- Cost negotiation and optimisation
- Contract procurement

BENEFITS

- Improved supply chain efficiency
- Reduced procurement costs
- Reliable product sourcing
- Scalable solutions for growing businesses

GLOBAL SOURCING SOLUTIONS

We connect businesses with trusted global suppliers to provide access to high-quality products at competitive prices. Through our extensive international sourcing network, we identify reliable manufacturers, manage supplier relationships, and coordinate procurement to ensure consistent quality, dependable supply, and cost-effective solutions tailored to your business requirements.

WHAT WE SOURCE

- Industrial equipment
- Engineering components
- Construction materials
- Electrical and mechanical products

OUR ADVANTAGE

- Established international supplier relationships
- Competitive pricing strategies
- Quality assurance and compliance
- Reduced lead times

LOGISTICS & FREIGHT MANAGEMENT

We provide reliable logistics and freight solutions that ensure the seamless movement of goods from suppliers to your business. From freight coordination and customs support to warehousing, transportation, and final delivery, we manage every stage of the logistics process to ensure your products arrive safely, on time, and cost-effectively.

SERVICES INCLUDE

- Freight forwarding (air, sea, road)
- Customs clearance
- Warehousing coordination
- Delivery management

WHY IT MATTERS

Efficient logistics is essential to keeping your business operating smoothly and your supply chain running without unnecessary delays. By ensuring the timely movement of goods, effective inventory management, and reliable delivery, businesses can reduce operational disruptions, improve customer satisfaction, lower costs, and maintain productivity while meeting project deadlines and business commitments.

IMPORT & EXPORT SOLUTIONS

We simplify international trade by managing every stage of the import and export process—from supplier coordination and documentation to customs compliance, freight management, and final delivery—ensuring efficient, compliant, and cost-effective cross-border logistics.

SERVICES INCLUDE

- Documentation and compliance
- Customs regulations
- Supplier coordination
- Delivery tracking

BENEFITS

- Reduced risk in international trade
- Faster clearance processes
- Compliance with regulations

INDUSTRIES WE SERVE

MINING

Supplying the mining sector with reliable sourcing solutions for heavy-duty equipment, critical spares, consumables, safety products, and operational support materials to minimize downtime and maximize productivity.

MANUFACTURING

Supporting manufacturers with efficient procurement solutions for machinery, components, production materials, industrial tools, and maintenance requirements to keep operations running smoothly.

CONSTRUCTION

Providing dependable sourcing and logistics support for construction projects, including building materials, equipment, site consumables, electrical products, and infrastructure-related supplies.

ENGINEERING

Specialized sourcing of technical components, industrial equipment, automation systems, electrical products, and engineered solutions tailored to complex operational requirements.

ENERGY

Delivering procurement and supply solutions for the energy sector, including electrical equipment, transformers, switchgear, renewable energy products, cables, and power infrastructure components.

TRADELINE
INTERNATIONAL (PTY) LTD
Beyond Borders — Beyond Expectations

SPECIALISED SERVICES WE OFFER

Tailored. Reliable. Responsive.
Solutions that keep your business moving.

OUR SPECIALISED SERVICES INCLUDE:

GLOBAL SOURCING & PROCUREMENT

Access to a wide network of trusted suppliers worldwide to source quality products.

RARE & HARD-TO-FIND INDUSTRIAL SPARES

We locate obsolete, discontinued and hard-to-find components for any industrial application.

CROSS-BORDER LOGISTICS & EXPORT COORDINATION

End-to-end logistics solutions, documentation and export coordination.

EMERGENCY PROCUREMENT SUPPORT

Quick response and fast-track sourcing for critical and urgent requirements.

SHUTDOWN & BREAKDOWN SOURCING

Specialist support for planned shutdowns and unexpected breakdowns.

SUPPLIER EXPEDITING & FOLLOW-UP

We follow through with suppliers to ensure your orders are on track and delivered as promised.

MINING, ENGINEERING, ELECTRICAL & INDUSTRIAL SUPPLY

Comprehensive supply solutions across a wide range of industries and applications.

AIRFREIGHT & EXPRESS LOGISTICS SOLUTIONS

Fast, reliable and cost-effective airfreight and express delivery options.

CUSTOMS CLEARANCE SUPPORT

Smooth clearance with accurate documentation and regulatory compliance.

PROJECT PROCUREMENT MANAGEMENT

Structured procurement management to support your projects from start to finish.

EXTREME URGENCY DELIVERY SUPPORT

Personal delivery in cases of extreme urgency.
When every minute counts, we act beyond limits.

For mission-critical requirements, Tradeline International offers personal delivery coordination in extreme urgency cases. Where operational downtime, plant stoppages, or critical project delays are involved, we ensure your items reach you — FAST.

DEDICATED HAND-CARRY SOLUTIONS

Critical items hand-carried by our team or trusted couriers to your destination.

PRIORITY FLIGHT ARRANGEMENTS

We secure the earliest available flights and priority handling for urgent shipments.

DIRECT SITE DELIVERY SUPPORT

Delivery directly to your site, plant, vessel or project location.

ESCORT & URGENT COLLECTION SERVICES

Personal collection and escort options to ensure safe and secure delivery.

SAME-DAY EMERGENCY DISPATCH ASSISTANCE

Same-day dispatch solutions where possible to minimize downtime.

WE UNDERSTAND THE COST OF DOWNTIME.

When required, we go beyond traditional logistics to ensure critical components and equipment reach you as fast and efficiently as possible.

PRODUCT CATALOGUE

INDUSTRIAL • MINING • DRILLING • ENGINEERING

Supplying quality products and solutions
to power industry and drive performance
across Africa and beyond.

MINING & DRILLING EQUIPMENT

DRILL BITS

Button Bits, DTH Bits,
Tricone Bits
Various sizes and
configurations

DRILL RODS

MF Rods, IF Rods,
Extension Rods
Various lengths
and diameters

DTH HAMMERS

High performance
hammers for
maximum productivity

DRILLING CONSUMABLES

Shanks, Couplings,
Adapters, DTH Components,
O-Rings, Lubricants

AIR COMPRESSORS

Portable & Stationary
Compressors
Diesel Powered

ENGINEERING TOOLS & EQUIPMENT

SOCKET SETS & HAND TOOLS

Socket Sets, Spanners, Pliers,
Screwdrivers, Hammers
High quality, professional
grade tools

TORQUE WRENCHES

Click, Dial & Digital Torque
Wrenches
Accurate & reliable tightening

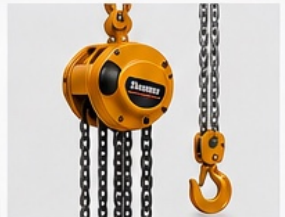

CUTTING TOOLS

Drill Bits, End Mills, Taps,
Dies, Inserts, Holesaws
Various brands and specs

POWER TOOLS

Drills, Grinders, Impact
Wrenches, Saws
Corded & Cordless

LIFTING EQUIPMENT

Chain Blocks, Lever Hoists,
Shackles, Slings, Eye Bolts
SWL Certified

BEARINGS & SEALS

Ball Bearings, Roller Bearings,
Seals, Circlips, Housings
Premium quality

VALVES & FITTINGS

Ball Valves, Gate Valves,
Check Valves, Pipe Fittings
Carbon Steel, SS, Brass

HYDRAULIC HOSES & FITTINGS

Hydraulic Hoses, Adaptors,
Couplings, Quick Couplers
High pressure rated

INSTRUMENTATION

Pressure Gauges, Flow Meters,
Temperature Sensors,
Transmitters

WELDING EQUIPMENT

Welders, Electrodes,
Welding Wire, Accessories
Safety & PPE

ELECTRICAL & AUTOMATION

OUR IT & RELATED SOLUTIONS

1. IT INFRASTRUCTURE

- Servers & Storage
- Networking (Switches, Routers, Firewalls)
- Racks, UPS, PDUs & Accessories
- Structured Cabling Solutions

2. END-USER COMPUTING

- Desktops, Laptops & Workstations
- All-in-One PCs & Thin Clients
- Monitors, Keyboards & Mice
- Peripherals & Accessories

3. PRINTING & IMAGING

- Printers, MFPs & Scanners
- Ink & Toner Cartridges
- Printer Parts & Accessories
- AMC & Support Services

4. SOFTWARE SOLUTIONS

- Microsoft 365, Windows, SQL
- TallyPrime & Tally Solutions
- Zoho Workplace & CRM
- Antivirus, Backup & Utility Software
- Design, Engineering & Industry Software

5. IT COMPONENTS

- Processors, Motherboards
- RAM, SSDs, HDDs
- Graphics Cards & SMPs
- Components & Upgrades

6. COMMUNICATIONS

- IP Phones & EPABX Systems
- Video Conferencing Solutions
- Headsets, Accessories
- VoIP & Unified Communication

7. SURVEILLANCE & SECURITY

- CCTV Cameras, NVRs, DVRs
- Access Control Systems
- Biometric & Time Attendance
- Security Accessories

8. POWER & PROTECTION

- Online & Offline UPS
- Voltage Stabilizers
- Inverters & Batteries
- Surge Protectors & SPDs

9. DATA STORAGE & BACKUP

- NAS & Storage Systems
- External Hard Drives
- Backup Devices & Media
- Cloud Backup Solutions

10. IT SERVICES

- IT Infrastructure Setup
- Network Design & Implementation
- AMC & Maintenance Services
- Remote Monitoring & Support

WHY CHOOSE IT FROM INDIA?

- ✓ World-class quality at cost-effective prices
- ✓ Strong R&D and large manufacturing base
- ✓ English speaking technical support
- ✓ Flexible customization & OEM services
- ✓ Trusted by global businesses for years

RARE SPARES FOR ANY INDUSTRIAL APPLICATION

If it's hard to find,
we will find it for you.

HARD TO FIND?

We source rare, obsolete and discontinued spares worldwide.

AUTHENTIC & RELIABLE

Genuine & OEM quality spares from trusted manufacturers.

GLOBAL NETWORK

Strong supply chain connections across China and beyond.

ANY INDUSTRY

Solutions for a wide range of industrial applications and equipment.

FAST & EFFICIENT

Quick response, competitive pricing and on-time delivery.

EXPERT SUPPORT

Technical expertise and dedicated service every step of the way.

WE SOURCE RARE & HARD-TO-FIND SPARES FOR:

GEARBOX & DRIVETRAIN SPARES

- Gears, Pinions & Shafts
- Gearboxes & Reducers
- Couplings & Flanges
- Bearings & Seals
- Keyless Bushes & Hubs

HYDRAULIC & PNEUMATIC SPARES

- Hydraulic Pumps & Motors
- Control Valves & Cartridges
- Cylinders & Seal Kits
- Accumulators & Intensifiers
- Pneumatic Valves & Actuators

ELECTRICAL & ELECTRONIC SPARES

- PLCs, Drives & Inverters
- Operator Panels & HMI's
- PCB Boards & Modules
- Sensors & Encoders
- Relays, Contactors & Breakers

PUMPS & COMPRESSORS

- Centrifugal & Diaphragm Pumps
- Rotary Vane & Screw Compressors
- Pump Seals & Mechanical Seals
- Impellers & Wear Rings
- Valves & Pressure Components

ENGINE & TURBINE SPARES

- Engine Components
- Turbochargers & Parts
- Fuel Injection Components
- Gaskets & Cylinder Heads
- Filters & Engine Accessories

METALLURGICAL & STEEL PLANT SPARES

- Rollers & Roll Shells
- Couplings & Universal Joints
- Bearings & Housings
- Gearboxes & Drive Units
- Wear Parts & Liners

MINING & QUARRY SPARES

- Crusher Spares & Liners
- Conveying Components
- Screens & Vibrating Parts
- Gearboxes & Motors
- Idlers, Rollers & Pulleys

PAPER & PULP INDUSTRY SPARES

- Paper Machine Rollers
- Vacuum Pumps & Valves
- Refiner Plates & Discs
- Bearings & Mechanical Seals
- Doctor Blades & Holders

FOOD & BEVERAGE INDUSTRY SPARES

- Pumps & Mixers
- Bearings & Seals (Food Grade)
- Conveyor Components
- Valves & Fittings
- Chains, Sprockets & Belts

RAILWAY & TRANSPORT EQUIPMENT SPARES

- Brake Systems & Components
- Couplings & Buffers
- Bearings & Axle Boxes
- Electrical & Lighting Parts
- Wheels, Axles & Gear Units

MARINE & OFFSHORE SPARES

- Propellers & Shafts
- Marine Gearboxes
- Pumps & Valves
- Winches & Windlasses
- Navigation & Electrical Parts

CONSTRUCTION EQUIPMENT SPARES

- Undercarriage Parts
- Hydraulic Components
- Engine Parts
- Filters & Lubrication Parts
- Pins, Bushes & Wear Parts

TEXTILE & GARMENT MACHINERY SPARES

- Spindles & Bobbins
- Bearings & Rollers
- Drive Belts & Pulleys
- Sensors & Controls
- Knives, Blades & Needles

PLASTIC & RUBBER INDUSTRY SPARES

- Extruder Screws & Barrels
- Moulds & Dies
- Hydraulic Components
- Heaters & Thermocouples
- Cutting & Granulating Blades

OBsolete & DISCONTINUED SPARES

- No Longer Manufactured
- Obsolete Models
- Legacy Equipment
- Replacement Solutions
- Reverse Engineering Available

service you can rely on

1. ELECTRICAL TEST & MEASUREMENT

DIGITAL MULTIMETERS

Measure voltage, current, resistance, continuity and more.

CLAMP METERS

AC/DC current measurement without breaking the circuit.

INSULATION TESTERS

Measure insulation resistance for electrical safety and compliance.

POWER QUALITY ANALYZERS

Monitor power quality, harmonics, voltage dips and more.

TEMPERATURE & HUMIDITY METERS

Measure temperature, humidity and dew point with accuracy.

SOUND LEVEL METERS

Measure noise levels in workplaces and environments.

LIGHT METERS

Measure light intensity for workplace safety and environments.

ANEMOMETERS

Measure air velocity, flow and temperature in HVAC and more.

DATA LOGGERS

Monitor and record environmental data over time.

3. MECHANICAL TESTING

FORCE GAUGES

Measure push and pull forces with high accuracy.

HARDNESS TESTERS

Test hardness of metals and materials using various scales.

THICKNESS GAUGES

Measure coating, paint, and material thickness.

TACHOMETERS

Measure rotational speed (RPM) contact or non-contact.

VIBRATION METERS

Monitor vibration levels for predictive maintenance.

UNIVERSAL TESTING MACHINES

Tensile, compression, flexural and shear testing of materials.

IMPACT TESTERS

Determine impact resistance of materials and components.

PORTABLE LEEB HARDNESS TESTERS

Test hardness on-site quickly and accurately.

COATING ADHESION TESTERS

Test coating adhesion strength on various substrates.

TORQUE TESTERS

Measure torque for quality control and calibration.

3. LABORATORY ANALYSIS

pH METERS

Accurate pH measurement for laboratory and field use.

CONDUCTIVITY METERS

Measure conductivity, TDS, salinity and resistivity.

TURBIDITY METERS

Measure water clarity for environmental and process control.

SPECTROPHOTOMETERS

UV/Vis analysis for quantitative and qualitative results.

MOISTURE ANALYZERS

Fast and accurate moisture content determination.

GAS DETECTORS

Detect combustible gases and toxic gas leaks.

FLUE GAS ANALYZERS

Analyze combustion efficiency and emissions.

PRESSURE GAUGES

Measure pressure of gases and liquids accurately.

FLOW METERS

Measure flow rate of liquids and gases in pipelines.

ULTRASONIC FLOW METERS

Non-invasive flow measurement for various applications.

6. GAS & FLUID TESTING

INDUSTRIES WE SERVE

MINING & QUARRYING

MANUFACTURING & INDUSTRIAL

OIL & GAS

WATER & WASTEWATER

CONSTRUCTION

AUTOMOTIVE

FOOD & BEVERAGE

HVAC & FACILITIES

RESEARCH & EDUCATION

TRADELINE
INTERNATIONAL (PTY) LTD

Beyond Borders — Beyond Expectations

DOMESTIC ENERGY SOLUTIONS CATALOGUE

Reliable. Efficient. Sustainable.
Powering your home.

CLEAN ENERGY
Reduce your carbon footprint

RELIABLE POWER
Uninterrupted power for your home

SAVE MONEY
Lower electricity bills with solar

QUALITY PRODUCTS
Trusted brands and premium components

EXPERT SUPPORT
Design, installation & after-sales support

1. SOLAR PANELS

MONO SOLAR PANELS
High efficiency monocrystalline panels for maximum energy output.
315W – 550W

POLY SOLAR PANELS
Reliable and cost-effective polycrystalline panels for residential use.
250W – 330W

ALL BLACK SOLAR PANELS
Sleek all black design for aesthetic installation.
300W – 450W

2. INVERTERS

HYBRID INVERTERS
Smart energy management with solar, battery and grid support.
3kW – 10kW

OFF-GRID INVERTERS
Ideal for off-grid systems, providing reliable power anywhere.
1kW – 8kW

GRID-TIE INVERTERS
Feed excess power back to the grid and reduce utility bills.
1kW – 5kW

PORTABLE POWER STATIONS
Compact and portable power for backup and outdoor use.
300W – 2400W

3. BATTERIES & ENERGY STORAGE

LITHIUM BATTERIES
Long life, high efficiency lithium batteries for home energy storage.
5kWh – 15kWh

LEAD ACID BATTERIES
Deep cycle batteries for reliable backup power solutions.
100Ah – 200Ah

MODULAR BATTERY SYSTEMS
Scalable solutions to meet your growing energy needs.
5kWh – 20kWh+

ROOF MOUNTING SYSTEMS
Durable and corrosion resistant mounting solutions for all roof types.

GROUND MOUNTING SYSTEMS
Strong and reliable structures for optimal solar performance.

MOUNTING ACCESSORIES
Rails, clamps, bolts and accessories for a secure installation.

SOLAR CABLES & CONNECTORS
High quality PV cables and MC4 connectors for safe installations.

5. BALANCE OF SYSTEM (BOS)

COMBINER BOXES
Combine and protect your PV strings with built-in protection.

SURGE PROTECTION DEVICES
Protect your system from voltage surges and lightning.

DC ISOLATOR SWITCHES
Safe isolation and protection for maintenance.

CIRCUIT BREAKERS & FUSES
High quality protection devices for DC and AC circuits.

ENERGY METERS
Monitor your energy production and consumption.

SOLAR GEYSERS
Efficient solar water heating systems for year round comfort.

FLAT PLATE COLLECTORS
High performance collectors for reliable hot water.

SOLAR WATER HEATING CONTROLLERS
Smart controllers for efficient temperature management.

7. COMPLETE SOLAR KITS

3kW SOLAR KIT

- 6 x 550W Mono Panels
- 3kW Hybrid Inverter
- 5kWh Lithium Battery
- Mounting Structure
- Cables & Accessories

Ideal for small to medium homes.

5kW SOLAR KIT

- 10 x 550W Mono Panels
- 5kW Hybrid Inverter
- 10kWh Lithium Battery
- Mounting Structure
- Cables & Accessories

Perfect for average household energy needs.

8kW SOLAR KIT

- 16 x 550W Mono Panels
- 8kW Hybrid Inverter
- 15kWh Lithium Battery
- Mounting Structure
- Cables & Accessories

Maximum power and backup for large homes.

REDUCE ELECTRICITY BILLS

ENERGY INDEPENDENCE

INCREASE PROPERTY VALUE

ENVIRONMENTALLY FRIENDLY

RELIABLE BACKUP POWER

SPECIALISED LABORATORY EQUIPMENT CATALOGUE

Quality. Precision. Performance.
For Every Laboratory.

PREMIUM QUALITY
Reliable & durable
equipment

TRUSTED BRANDS
Global leaders in
lab technology

WIDE RANGE
Solutions for every
laboratory need

AFTER SALES SUPPORT
Technical support
you can rely on

1. ANALYTICAL & PRECISION BALANCES

Analytical Balance

High precision weighing
with advanced features
and superior accuracy.

Precision Balance

Reliable performance for
accurate and repeatable
results.

Micro Balance

Ultra-high precision for
micro sample weighing
applications.

2. SAMPLE PREPARATION

Centrifuge

High-speed and
benchtop centrifuges
for various applications.

Vortex Mixer

Ensures thorough
mixing of samples in
seconds.

Ultrasonic Cleaner

Efficient cleaning of
glassware and
lab instruments.

Hotplate & Stirrer

Precise heating and
stirring for accurate
experimental results.

3. GENERAL LABORATORY EQUIPMENT

pH Meter

Accurate pH/mV and
temperature
measurements.

Conductivity Meter

Reliable conductivity
and TDS
measurements.

Magnetic Stirrer

Smooth and consistent
stirring for varied
volumes.

Water Bath

Uniform temperature
control for sample
incubation.

4. ENVIRONMENTAL & TESTING EQUIPMENT

TOC Analyzer

Total Organic Carbon
analysis for water
quality monitoring.

Turbidimeter

Accurate turbidity
measurement for
water testing.

BOD Incubator

Reliable incubation
for BOD
determination.

Spectrophotometer

UV/Vis analysis for
accurate and reliable
results.

5. GLASSWARE & CONSUMABLES

Volumetric Glassware

- Volumetric Flasks
- Graduated Cylinders
- Pipettes & Burettes

Laboratory Glassware

- Beakers & Erlenmeyers
- Test Tubes
- Funnels & Measuring Cylinders

Consumables

- Filter Papers
- Syringe Filters
- Pipette Tips & Tubes

6. LABORATORY FURNITURE & SAFETY

Fume Hoods

Protect personnel and
maintain a safe
working environment.

Laboratory Furniture

Durable and ergonomic
solutions for modern
laboratories.

Safety Equipment

- Safety Goggles
- Gloves
- Lab Coats
